

## FIRE AND SECURITY FOR HEALTHCARE

**A proven track record in delivering specialised fire & security solutions to the UK's national hospitals.**

FPG provides comprehensive fire and security solutions to manage risk and protect a range of national hospitals across the UK. Our intelligent, networked fire and security solutions simplify the administration of facilities spread across multiple sites, keeping staff and assets safe, while preventing unauthorised entry.

- ROYAL ALEXANDRA HOSPITAL
- NHS 24
- BORDERS GENERAL HOSPITAL
- NHS BORDERS
- ROYAL COLLEGE OF NURSING
- FORTH VALLEY ROYAL HOSPITAL
- GOLDEN JUBILEE NATIONAL HOSPITAL
- NHS DONCASTER & BASSETLAW HOSPITAL

### VERSATILE & SCALABLE

We understand that the healthcare sector often has specialised fire and security requirements. From local practices to national hospitals, FPG have a fire and security solution to fulfil your unique requirements.

### ACCREDITED & CERTIFIED

FPG is fully accredited and certified, providing solutions since 1989. Our in house team of consultants, designers, and fire risk assessors ensure that the systems we install are best-in-class and comply with legislation.

### COMPLETE FIRE & SECURITY SOLUTION

FPG is a single-source provider for fire, security and safety solutions. Systems can be networked and integrated, improving ease of use and streamlining building operations.

### A LONG TERM RELATIONSHIP

The installation of an FPG system is only the beginning of a long term relationship. Our maintenance agreements, 24/7 emergency service and local support ensure the long term safety and security of your site.

### SOLUTIONS FOR:
